2020 Spring Campaign
Fellow Nominations

Nominate a civic leader to become an Urban Design Forum Fellow.

The Urban Design Forum is an independent membership organization advancing creative solutions to today's urban challenges. For 40 years, our members—known as Fellows—have shaped the conversation on the future of New York and cities around the world.

Our 600 Fellows hail from over 50 cities across the United States and around the world. They are developers, architects, planners, builders, public officials, advocates, scholars, lawyers, and journalists.

Fellows share design solutions and policy schemes in programs and publications throughout the year, lead tours of recent projects, and grow our community by nominating promising colleagues to participate in Forum programs.

Eligibility ↓

Twice a year, Fellows of the Forum invite a select group of emerging and distinguished leaders to join the Forum community. We welcome candidates of diverse backgrounds, industries and perspectives.

Criteria for membership include:

- Demonstrated leadership in building more dynamic, verdant and just cities
- Record of excellence in urban design, planning, policy, or development
- Interest and ability to participate in Forum programs

Your Nomination ↓

We invite our Fellows to briefly endorse candidates for membership. Endorsements can be as short as a paragraph, and should concisely address candidates' contributions to the fields of urban design, planning, policy and development; promise of future achievement; and potential contributions to the work of the Forum.

Nominations for our 2020 Spring Campaign are due by **June 30**.

Please submit nominations to membership@urbandesignforum.org.
