2022 Spring Campaign  
Fellow Nominations

# Nominate a civic leader to become an Urban Design Forum Fellow.

The Urban Design Forum is an independent membership organization advancing creative solutions to today's urban challenges. For over 40 years, our Fellows have shaped the conversation on the future of New York and cities around the world.

Our 750+ Fellows hail from over 50 cities across the United States and around the world. They include developers, architects, planners, builders, public officials, advocates, scholars, lawyers, and journalists.

Fellows share design solutions and policy schemes in programs and publications throughout the year, lead tours of recent projects, and grow our community by nominating promising colleagues to participate in Forum programs.
